COMMUNITY WATCH

BUSINESS WATCH

The Manatee County Sheriff's Office is offering you an opportunity to participate in a very effective crime prevention program - - -  **WATCH**

What is  **WATCH** ? The program is a means to alert citizens of recent crime activities that have occurred in the area of their neighborhood or business, or pass on general information regarding:

-  **Suspicious behavior to look out for**
-  **Photos of missing persons**
-  **Alerts on recent crime trends and scams**
-  **Crime alerts**
-  **Crime Prevention Programs**

How does the  **WATCH** program work? The Manatee County Sheriff's Office has developed a system that passes along, to program participants, current pertinent crime information utilizing e-mail. The program can target this information to:

- Specific neighborhoods and entire community
- Specific to business or business district

How to become an  **WATCH** program participant — **IT'S EASY** — just send an e-mail to communitywatch@manateesheriff.com to become a resident participant, or businesseswatch@manateesheriff.com to become a business participant.

Each e-mail **must** contain the following information: Your Name, complete address including zip code and your email address.)
